

The Diocese is at the mid-point in the two year pilot of a school calendar for the Catholic Schools in the Diocese. Judge implemented most, but not all, of the changes for 2007-08. For 2008-09, Judge will implement all the diocesan calendar changes. The calendar includes the 180 days required by the State of Utah. We invite you to comment on the major aspects of the two year calendar. Please email your comments, on this form or a separate page, to arowland@judgememorial.com or send them on paper to Angie Rowland, 650 South 1100 East, Salt Lake City, UT 84102, by April 25., 2008
