- *Dead Man Walking*, Sr. Helen Prejean
- *Hiroshima*, John Hersey
- *Desert Solitaire*, Edward Abbey
- *Frames of Mind: A Rhetorical Reader*, Diyanni and Hoy
- *unSpun: Finding Facts in a World of Disinformation*, Brooks Jackson and Kathleen Hall Jamieson

Summer reading

Read the following books over the summer, and then review them before school starts. During the first week of school, you'll take an objective exam on the summer reading and write essays on each book. These books are in libraries and bookstores, but make sure you have your own copy with you in class for the first two weeks.

- *A Whole New Mind: Why Right-Brainers Will Rule the Future*, Daniel H. Pink
- *On Writing*, Stephen King
- *Three Cups of Tea*, Greg Mortenson and David Oliver Relin
