

For New Students

The following three classes are scheduled at 9:00 A.M., 10:00 A.M. and/or 11:00 A.M. depending upon enrollment. These classes meet for 14 weekdays from Monday, June 9 to Thursday, June 26. Students may take all three classes unless they are taking Accelerated Algebra. In this case, they may take only Study/Student Skills or Culinary Arts or Physical Conditioning, along with Accelerated Algebra.

MATH / ALGEBRA SKILLS \$90.00 Instructor: Mr. Jerry Burchett

This class is designed to teach students pre-algebra skills to prepare them for the rigors of the Algebra classes they will be taking here at Judge Memorial. This class will assist students who do not have a lot of Algebra experience and would like to prepare for high school Algebra.

COMPOSITION SKILLS \$90.00 Instructor: Ms. Melanie Larrabee

This class incorporates many strategies and techniques to help students with one of the most essential skills for high school academics. The goal of this class is to help students write better in all subject areas, not just in their English classes.

STUDY / STUDENT SKILLS \$90.00 Instructor: Ms. Dianna Pugh

This class is designed to teach students how to learn and study more effectively, and to orient students into the personal and social responsibilities of belonging to the Judge Memorial community. Topics include: organization, note taking, time management, and test taking strategies, memorization, reading and outlining textbooks; and making your high school experience a most positive and productive one.

ACCELERATED ALGEBRA ½ Credit \$210.00 Instructor: Mr. Pat Clark

This class is for those freshmen who will be taking Advanced Algebra I or Honors Algebra I. Twelve chapters of an average Algebra text will be covered. (Textbooks will be provided.) Limited to 30 students. Classes will meet for 16 weekdays - Monday, June 9 to Monday June 30 from 8:30 A.M. -11:00 A.M..

PHYSICAL CONDITIONING ½ Credit \$200.00 Instructors: Coaches Finn & DuPre

This course presents guidelines for individuals to improve their physical fitness by incorporating fitness, pre and post testing, weight lifting, plyometrics, speed and agility training and health & diet issues. .Meets for 15 weekdays – Monday, June 9 to Friday, June 27 from 11:30 A.M. – 2:00 P.M..

CULINARY ARTS – LEVEL I ¼ Credit \$210.00

Offered from 11:30 A.M. to 2:30 P.M. and taught by Master Chef Timothy Soran. You will learn to cook healthy and delicious meals while also receiving your Food Handlers' permit. Say goodbye to Mac & Cheese! The \$200.00 tuition includes all food supplies and training. Limited to 20 students. Meeting for 14 weekdays – Monday, June 9 to Thursday, June 26.
