ACADEMIC POLICIES

The weighted GPA is used by Judge Memorial for awards only.

The cumulative GPA is based on all grades received in ninth through twelfth grades. A distinction is made in assigning grade points for AP and Honors level courses. An AP course receives an extra point added to the GPA; an Honors course receives an extra half credit point.

Judge Memorial does not award an A+ for any classes and we do not rank.

STANDARDIZED TESTING

Our Class of 2023 participated In the ACT School Day and earned an average score of **25.8**

PEER MINISTRY

Judge Memorial's Campus Ministry program, deeply rooted in the school's culture, values Peer Ministers. Although not limited to Catholics, Peer Ministers are actively engaged in their faith community, respected by teachers and peers, and selected through interviews with the Campus Ministry Director and a teacher committee.

Currently, **30** dedicated students serve as Peer Ministers, responsible for leading morning prayer, organizing student retreats including Kairos, managing food and Christmas gift drives, and leading charitable initiatives throughout the year.

CURA PERSONALIS

At Judge Memorial, we embrace Cura Personalis, caring for the whole person, at the core of our school philosophy. This commitment is evident in our daily mindfulness practice, yoga and health classes, retreats, Student Services, and more. With a holistic approach, we invest in our students' **intellectual, social, physical, and spiritual growth**, guiding them to lead with both their hearts and minds as **Builders of a More Just Society**.
